

**Circular**

**17.05.2016**

**Subject : Performance of normal duties on clear off –reg.**

Dear Friends,

Central Executive Council is in receipt of resolutions adopted in the General Body Meetings at various Regional / Branch Councils. The instructions contained in the letter of ED (ATM) vide AAI /ATM /HRD/29-242/2016, dated 06.04.2016 has triggered reactions everywhere. We are equally concerned and immediately after issuance the letter, we have lodged our severest protest to concern authorities like Member (ANS) and ED (ATM). Always we have got assurances from them that this issue will be reviewed and necessary corrective action will be taken to undo the unintentional damage.

In certain circumstances, it has been perceived that CEC is silent on this issue. To speak the truth, we are handling this issue little tactfully because of obvious reasons. Those who are associated with the activities leading to five shift roster are fully aware that impetuous action may create problem because we do not intend to shift the activities from ATM domain to HR domain. Those who do not have much knowledge or have superficial knowledge shall not presume certain things which will be counterproductive to our interest. We are committed to this job and are in the process of taking concerned authorities on board to undo the damages caused through the issuance of this letter.

At this critical juncture, when we are fighting many big issues outside ATM Directorate, we need to remain united to thwart the evil intentions of AAI Management especially HR Directorate. We exhort all members to remain cool with an assurance that some positive result will come on all issues including withdrawal of the instructions regarding normal duties on clear off days very soon.
