

Dear All

Please find attached the Final List of Candidates after withdrawal or rejection.

Further to this, the next course of action would be printing of ballots and posting.

While posting, we will try to reach out to each one of the stations by phone before posting and also give the details. We would predominantly be using Speed Post.

If any of the stations like to have any other method of posting, kindly communicate to us.

The dates of elections would remain as communicated earlier.

Details regarding posting of ballots and elections would follow in due course.

Thanks and regards

ELECTION COMMISSION
