

Dear Friends

We have completed the task of printing the ballot papers.

Each ballot paper will be signed by two of the three election commissioners and will carry a seal of the signature and the seal of the Election Commission also.

We will be posting the ballots starting the end of this week.

The ballots for NE region are being handled first. It will be delivered by hand to the RS NER (Guwahati) by us. From there, it will be sent to the individual stations.

Each ballot package for the stations will be posted to the address of the Branch/Regional Secretary which has already been verified.

This will be done predominantly by Speed Post.

Procedures for people going on Leave are given in a separate mail.

Thanks and regards

Sajeeth Kumar
Chief Election Commissioner
