Sub.: Credential verification of Junior Executives (ATC) – delay in conduct of DPC thereof.

Sir,

Junior Executives in ATM Directorate joined in 2015-2016 are eligible for promotions to the grade of Assistant Managers in 2019 DPC. Even though DPC for other grades have already been completed, it has not been done for the Asstt. Manager (ATC) primarily because the fact that the credential verification of Junior Executives, who joined three years back, has not been done so far.

Without going into the intricacies involved in the process of credential verification, ATC Guild attributes this delay due the lackadaisical approach of HR Directorate in dealing this issue. The credentials of executive who joined three and half years back has not been verified is a very serious issue especially considering the safety critical task they performed. Moreover, these executives are waiting for first promotion as well as Assistant Manager scale (E-2) on completion of three years of service as per existing R&P rules.

ATC Guild requests your good office to initiate such actions as deemed fit which will expedite the process of credential verification, conduct of DPC besides action against the concerned officers for inordinately delaying this process.

With regards,

(D.K. Behera)
General Secretary
