**Sub.: Empanelment of MAX Hospital for homecare medical treatment for AAI beneficiaries**

Sir,

Reference to letter no. A600/01/2020 dt. 05.06.2020, ATC Guild appreciates proactive actions of HR to extend the homecare facility to AAI beneficiaries. Being the core functionaries of AAI and the frontline operational workers of AAI, ATCOs are more vulnerable to COVID-19 pandemic which requires extra medical care and such measures of homecare facility reduces stress of medical facilities on being found COVID-19 positive.

The current measure takes care of medical facility for AAI beneficiaries in Delhi or surrounding areas but ignores the AAI beneficiaries in other parts of our country. In view of the surge in COVID-19 cases spread in other places of country like Mumbai, Chennai, Kolkata etc, ATC Guild requests you to initiate such measures of homecare medical treatment in other Regions of AAI to keep the morale of operational officers high.

With regards,

(Afok Yadav)  
General Secretary
