Sub:- Institutional/Home quarantine arrangements for officers on Annual Transfers 2020 in ATM Directorate .-Reg

Sir,

ATC Guild (I) would like draw your kind attention on above mentioned subject. Due to pandemic situation in India most of the States and UTs have made policy for mandatory Institutional/ Home quarantine for the persons coming from other States or UTs. We have already served a letter, reference no **CC/ATCG/TRF/2020/01 dated 25 June 2020** (copy attached) regarding following arrangements for AAI officials on transfer.

- 1- RTPCT (Covid-19 Test) shall be arranged by the management for those who are under transfer, which is now a measure requirement for most of the states and UTs.
- 2- Arrangement of Quarantine facilities either Home or Institutional for officers under transfer to tenure station shall either be done by office or expenditure for that shall be borne by Airports Authority of India. It is significant to mention that person going on transfer will not have a home for quarantine. (As per the Government of India provisions the States / UTs have the power to decide on number of days for quarantine period and it varies from 7 to 28 days).
- 3- Recently due to withdrawal of service provider like Yatra from the panel of AAI for flight booking the officers on transfer finding difficulties in booking flight tickets, as most of the flights either direct or hopping is not operating at smaller Airports specially in North East regions because of either the prevailing Pandemic situation or non availability of passengers (they call it an operational reasons). Hence it is requested to make travel arrangements for officers on transfer.

In view of above, ATC Guild (I) as professional body demands above arrangements for the safety of AAI official .Early action is solicited.

Assure you full cooperation.

With Regards

(Alok Yadav)
