

AIR TRAFFIC CONTROLLERS' GUILD (INDIA)  
CATC BRANCH, ALLAHABAD

Ref. No. ATC Guild (India)/CATC/2018-03

Dt. 12/03/2018

To,  
THE GENERAL MANAGER (ATM)  
AIRPORTS AUTHORITY OF INDIA  
CATC, ALLAHABAD

SUB: *Proposal to organize 'A Seminar at CATC Allahabad'- reg.*

Respected Sir,

The training institutes of every organization play a very vital role in Human Resource Development. Our training institutes- CATC, HTC and NIATAM have been serving to match international standards and would like to enhance the training process and procedures by having feedback of our customers. Off late, the number of incidents/ Airprox in Indian airspace and airports are on the rise, causing serious damage to the reputation of AAI and of Air Traffic Controllers in particular. ATC Guild believes the quality of our profession can be improved by enhancing the quality and capabilities of our Instructors posted at Training institutes. In this context ATC Guild (I), CATC branch proposes to organize a SEMINAR at CATC Allahabad with the participation of all training In-charges/OJTI of major stations and SMEs from CHQ and office bearers of ATC Guild (I).

**The primary objective of such a seminar would be:**

- 1) To provide an insight to the participants on how to analyze and bridge the gap, if any, between the initial training and OJT.
- 2) To enhance the knowledge and skill of instructors posted at CATC/HTC/NIATAM and
- 3) To keep Instructors abreast of the developments and changes in ATC functioning in view of ASBU BLOCK 0 implementation in India.

You are requested to kindly take up this proposal with ATM Directorate CHQ so that the necessary modalities can be worked out for organizing such an event at the earliest.

Assuring you of our fullest cooperation at all times.

Thanking you,

Yours faithfully,

*Aruna K. Yadav*
