### ATC Guild (I)-NR Circular-01

**Dear members,**

In a very horrific and shocking incident happened at Mumbai on 18<sup>th</sup>-Nov-2018 with some of our ATCOs by slum dwellers while returning to AAI colony after performing their shift duty. One air traffic controller was badly injured and admitted in the Nanawati hospital. It is really unfortunate and shameful incident being a part of esteemed organization like AAI and pioneer profession like Air Traffic Controller.

Today, In REC meeting, ATC Guild (I)-NR decided that we will provide full support in any form to our colleagues and their families who are feeling unsafe after this incident at Mumbai.

Therefore it was decided that if the suitable action will not be taken against those Slum dwellers by today evening i.e. 20-11-2018 then we will raise it on larger scale in northern region and will follow the directives issued by Central Executive Council ATC Guild (I).

With regards,
