

Good Evening Members,

Happy International Day of Air Traffic Controller!

A meeting was held between Regional Secretary (Northern Region) and GM (HR)-NR at RHQ office on 18-Oct-2018 regarding the following issues;

- 1) **Quarter issue of D-3 and D-13 type- 4 in INA colony:** The matter had been discussed with medical requirements of both the effected officers and it was concluded that the decision took by competent authority is final from ATC Guild (I)-NR i.e. D-3 for lady officer and D-13 for Sh.L.D.Mohanty (JGM-ATM).
- 2) **Deduction of rating and stress allowance due to half pay leave:** One our colleague had applied half pay leave of 8 days in the month of july-2018 and there is deduction of rating allowance and stress allowance in his salary.
ATC Guild (I)-NR clearly conveyed that there is no relation of rating allowances and stress allowances with half pay leave as per rule.
 - a. GM (HR)-NR called his officer and he clarified that in SAP, rating and stress allowances are interconnected which is wrong and not justified.
 - b. GM (HR)-NR agreed that he will try to make interim arrangement and address to CHQ for permanent solution.
- 3) **One our colleague not getting salary from last six month:** One our colleague posted at IGI is not getting salary from last six month. Earlier he was not the bonafide member of ATC Guild (I)-NR, Now he has taken the membership by paying rupees ten thousand and become member of ATC Guild (I). Then his issue has been taken on the platform of ATC Guild (I)-NR.
I clearly conveyed to GM (HR)-NR that nobody is entitled to stop full salary without any criminal case. As per Supreme Court and DPE order, department has to release at least 25% of salary to employee for his domestic and family obligation.
GM (HR)-NR committed that he will try to release his salary in the end of this month and start the process of reimbursement of his remaining amount.
