Sub: Regarding Two Extra Normal duties

Sir,

ATC Guild (I)-NR would like to submit the following for your kind consideration on behalf of controllers; "who are working very sincerely".

Air Traffic Controllers are committed to maintain high standards and quality while working at every air traffic services unit (subsystem) to achieve and maintain safety, efficiency and capacity of the overall ATS system as per ICAO standards & recommended practices.

In past, many studies have been carried out regarding stress level, fatigue level of ATCOs at work place and to quantify the level of proper rest for them. Each and every report speaks loudly about the "proper rest and fatigue mitigation is very essential and prime requirement for an ATCO's to maintain high safety standards while providing Air Traffic Services".

Two extra normal duties have built an additional pressure on ATCO's consequently affecting safety norms as well as ATCO's health.

It is also to inform that ATC Guild (I) in its Central Council Meeting held on 24th and 25th Feb, 2018 at New Delhi resolved unanimously that "*members of ATC Guild (I) shall not perform two extra normal duties w.e.f. 06-04-2018*" and it was also resolved that "*member controllers shall not perform more than 12 Hours of OPA(two extra duty) in a calendar month*". A letter (CEC/OPR-GEN/2018/04) in this regard served by the President, ATC Guild (I) to Member (ANS) on 27-03-2018 (copy attached for your reference).

In accordance with the above directives from Central Executive Council, ATC Guild (I)-Northern Region hereby like to inform you that "**the members of ATC Guild (I) Northern Region will not be performing extra normal duties w.e.f. 06-04-2018**".

Thanking you and assuring you of best co-operation all the times.

With Regards,

K.P.Singh
