

NEPAL AIR TRAFFIC CONTROLLERS ASSOCIATION (NATCA)

ACTIVITY REPORT

NATCA

- NATCA has been doing various activities in the past regarding the safety matters, we are coordinating for the establishment of ADSB at our International airport which is very essential for the approach control as the RNP-AR approach is out of the radar coverage.

NATCA

- Under the JICA project a new MSSR radar is going to be established on the top of a hill. This project is starting from the end of 2012 and be completed in 2 years.
- We are in a process of having insurance against the loss of ATC license.

General Programs incorporated:

- Publishing of HORIZON Annual magazine of NATCA.
- Annual general meetings of Nepal Air Traffic Controllers
- Election of Nepal Air Traffic Controllers Association executive board
- Formation of sub-committees to over view the newly formed default Organizational Structure of our Authority.

Safety Related programs:

- ATC/Pilot interactions which was held in December 2011 for the winter season precaution.
- Interaction between ATC/ pilots and airlines representatives regarding Monsoon season and its effect in flights.
- Interaction with the domestic pilots regarding Mountain flight Procedure.
- Interaction with 99 women's pilots Association on 3rd Oct. 2012. The topic was ATC Congestion at Kathmandu airport.
- Interaction with other professional organizations in our Authority.

Social Activities related programs:

- In core co-ordination with Rotary club Kathmandu, different social services activities like distribution of medicines, clothing and education materials in the remote mountaineous area (Jumla, Mugu, Dolpa, Humla) are in progress.
- Sporty activities like football match between ATC and Pilot, quiz contest etc.

Additional Programs:

- Organizing a seminar regarding the Congestion of air traffics at Tribhuvan International Airport in the presence of Honourable minister of Civil Aviation and CAAN executive board.
- Making documentary regarding the profession of Air Traffic Controllers to be shown in the local TV programme for awareness to the general public.
- working for establishment of separate rules and regulations for Air Traffic Services. There is a plan to have the regulatory and he service provider in near future it is being carried by ADB project.

We would like to bid for Asia Pacific
Regional meeting for 2015.

THANK
YOU
